

THE MONTCLAIR BIRD CLUB

QUIZ 19

June 10, 2020

What color are the eyes of an adult gray catbird?

Links to ponder:

[Create your own eBird charts](#). Mix and match counties, regions, your own birding sites.

[“The magnificent Lafresnaye collection.”](#) Baird waxes ecstatic.

THE ANSWER IS ON THE NEXT PAGE

Dark brown to maroon, though in the field they usually appear darker.
